

Chairman  
Scarborough Gymnastics Academy Fundraising Committee

Date: 4<sup>th</sup> November 2009

Dear Member,

### Scarborough Gymnastics Academy Fundraising Lottery

Firstly, a big thank you for supporting the lottery in its second year. What a year it has been, settling into Barry's Lane and constantly raising funds for the equipment to fill it. Plus, of course, who could forget the wonderful awards evening at the rugby club in September when our totally shocked £1,000 winner was in the audience!

The lottery raised over £1,200 in the last 12 months, a little down on last year as a number of tickets were returned when the club was relocated. However, we finished the year on an excellent 98 numbers sold. Of course our aim is to have 200 member numbers in each draw, so there is still a long way to go – but..... if you know anyone who doesn't have a lottery number yet, please use your best selling skills and persuade them to buy a number and join in! WE NEED YOU ALL.

For your information, overleaf is a list of the winners, winning numbers and winning dates during the last 12 months. Please get back to me if you have any concerns about the lottery or its administration, after all it is your donations we are distributing!

Finally following a visit to the World Gymnastics Championships in London, we are now hoping to raise £12,000 for a sprung floor. This is about half the normal selling price. If we managed to have all 200 numbers in the draw this would raise £6,500 in a year – half the target – so please try and get some new members involved.

Thank you very much again for all your support,

Yours sincerely

**Su Richings**
